International Women's Day is celebrated on March 8 every year. In different regions the focus of the celebrations ranges from general celebration of respect, appreciation and love towards women for their economic, political and social achievements. On the occasion of International Women's day i.e 8th march 2016, there was a program organized by Maharashtra Police at Viman Nagar for awareness and discussion for "**women's liberty and responsibility**". The guest of honor were Smt. Swapna Gore, she is the Assistant Commissioner of Police (ACP), Khadaki Division. Smt. Kiran Moghe, she is the member of (AIDWA) All India Democratic Women's Association. AIDWA is a left oriented women's organization committee to achieve democracy, equality and women's emancipation. Dr. Shashikala Gurpur, director of Symbiosis Law School, Pune. Dr. Gupur is also a member of Law commission of India. Smt. Mukta Manhor, she is a social activist and Mr. Mandar Gonjari, he is a new report working for ABP maza news channel. This event highlighted how our liberty and responsibility work hand-in-hand, so we should not just focus on liberty given but even think our responsibility towards our liberty. Women face inequality in their working place, it is observed that the male employees are paid more than female employee for doing the same work, this type of stereotype should be broken. In the a decade it observed that the rate of crime against women has not increased but their registration have been increased in the count, this is a positive outlook that womens are getting more aware Regarding law and order.
