**Report on Tree Plantation**

The trees around us are extremely important and have always been necessary for improving the human condition. Tree planting can be used as a technique to remove CO<sub>2</sub> from the atmosphere.

As per the circular of Government of Maharashtra about plantation of trees, our First Year Department was organized Tree Plantation programme in our College campus on 01<sup>st</sup> July 2014 from 11.30 A.M. The plantation programme is inaugurated by planting a gulmohar tree by our Head of the department Dr. Umesh Moharil & Principal Dr. Pradeep Awasare. The teaching & non-teaching staff members, students have actively participated in the programme & total 62 trees had planted.

We had planted various types of trees some of them being Gulmohar, Kadu-Neem, Nilmohar, Chafa, Raktchandani, Mango, Shankasur etc. . Our college Gardener Mr. Undre & their members gave guidance about plantation.
