Report on Campus Cleaning Awareness Programme

Date: 2nd Oct 2013

Venue: Seminar Hall, MMIT, Lohgaon

Time: 9 am to 11 am

Applied Science Department organized Cleanliness Awareness Programme on the occasion of Gandhi Jayanti. The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits. Under this programme, all the First Year students participate. Even teachers were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole campus. The sweepers of the College had to be the observers.

Our Principal started the programme by cleaning the corners of the play ground. Then the teachers and students followed suit. Some of us picked brooms and started our job. Some of the students did the dusting of the rooms. And others went to the play ground and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. After doing this job for two to three hours, we all assembled in the Seminar hall. There we were given refreshment in the form of bananas and apples.

Thereafter our Principal delivered the speech telling us the importance of sanitation. He also honored the sweepers of the College for their noble job. In the end we all took oath of keeping our home, locality and city clean. It was a unique experience for all of us. We were curious to be the part of this great drive that could have transformed the face of our country for ever.
