"Industry 4.0 with Design Domain"

The Department of Mechanical Engineering has organized a 1 days' workshop on Industry 4.0 with Design Domain. This workshop is conducted under the MoU made with Graphics technologies and is aimed to develop theIndustry 4.0 with Design Domains The workshop has one day of training by experts followed by one to one interaction with students. First session was conducted by Mr.Kishor More-MD Graphix Technologies . Second session was conducted by an expert Pranita Jadhav - Domain expert. Third session was focused on theHow to enhance our Design Domain expertise by Mr. Rakesj Jadhav - Branch Manager.

The details of Workshop are as follows:

Date: 1ˢᵗ February 2024

Mode: Offline Mode

Resource Person:
1. Kishor More-MD Graphix Technologies
2. Mr. Rakesj Jadhav - Branch Manager
3. Pranita Jadhav - Domain expert

Outcome:

Students have understood the philosophy of the Industry 4.0 for design domain. The main outcome to discuss on fourth industrial revolution was the set-up of the Intel industries, where it is not just about data compilation, but keeping in mind the importance of the interaction between all this information, being allowed to connect it with different information sources, and being able to create a controlled system with a high-speed and flexible type of production.Hence with the given session on Industry 4.0 for Design domain students are highly encouraged to make their carrier in Design domains followed by Industry 4.0 revolution.
