**ABOUT MARTHWADA MITRA MANDAL**

The trust "Marathwada Mitra Mandal, Pune" was established in 1967 by Hon. Late Shri. Shankarraoji Chavan, Former Home Minister, Govt. of India as the "Founder President". The trust had started its activity with the objective of providing hostel or similar accommodation in Pune to the students. This trust is established through the inspiration of socially and educationally charged personalities, with the motto "Yethe Bahutanche Hit" (Welfare of Masses). Mass education, co-education, and dedication towards overall development of the region are watchwords of the trust. At its various educational campuses, the trust has created excellent facilities of education catering to Architecture, Interior Design, Management, Law, Commerce, Pharmacy, Engineering, etc. Which provides excellent education to about 12,000+ students.

**ABOUT MMIT**

MMIT, Lohgaon was established in 2008. The institution is affiliated to Savitribai Phule Pune

University, Pune and is approved by AICTE, New Delhi, Recognized by DTE, Government of Maharashtra. The uniqueness of the institute lies in its provision for an elaborate spectrum of engineering program under one roof which emphasis on quality education, training, and building of cultural value and development of professional skills. The institute has a sprawling and lush green beautifully planned campus with modern state of art infrastructure and hostel facility in 15 acres of land. The institute is accredited with "A" Grade by NAAC. It offers five engineering programmes (Computer, Artificial Intelligence & Data Science, Mechanical, Civil, Mechatronics). It houses 800+ students and 80 staff members.

**ABOUT THE STTP**

## **About Program:**

### **Objective:**

The objective of a seminar on "Placement and Higher Studies Opportunities through GATE and other Competitive Exams" could be to provide valuable insights and guidance to students about the various avenues available to them after clearing exams like GATE (Graduate Aptitude Test in Engineering) and other competitive exams. Here's a breakdown of the key objectives:

**Informing about GATE and Competitive Exams:** Provide a comprehensive understanding of what GATE and other competitive exams are, their significance, eligibility criteria, and the range of disciplines they cover.

**Placement Opportunities:** Highlight the various employment opportunities available to students after clearing these exams, including job placements in top companies, PSUs (Public Sector Undertakings), and government organizations.

**Higher Studies Options:** Discuss the opportunities for higher education such as pursuing Masters or Ph.D. programs in prestigious institutions, both in India and abroad, after qualifying in these exams.

**Career Advancement:** Showcase how clearing these exams can significantly boost one's career prospects and open doors to lucrative job profiles and better salary packages.

**Skill Enhancement:** Emphasize the importance of acquiring relevant skills and knowledge to excel in these exams and subsequent career opportunities.

**Preparation Strategies:** Provide guidance on effective preparation strategies, study materials, coaching options, and time management techniques to help students prepare adequately for these competitive exams.

**Expert Insights:** Invite speakers who have successfully cleared these exams or professionals working in industries relevant to the exam disciplines to share their experiences, tips, and insights.

**Interactive Sessions:** Facilitate interactive sessions where students can ask questions, clarify doubts, and engage in discussions with experts and peers.

**Resource Sharing:** Provide resources such as reference books, online courses, mock tests, and study materials to aid students in their preparation journey.

**Motivation and Inspiration:** Motivate and inspire students to aim high, work hard, and persevere in their pursuit of success in these exams, ultimately enhancing their career prospects and personal growth.

Overall, the objective is to empower students with the knowledge, resources, and motivation they need to make informed decisions about their career paths and succeed in achieving their goals through GATE and other competitive exams.

**Activities performed:**

In the session, the speaker shared information about basics of entrepreneurship, startups and how they pursue their startup journey, what are the phases of startup, challenges they have faced and how are they managing the startup. The speaker also shares how a startup works along with the facilities available for the students on the campus in the form of incubation centers.

Total Duration of session is 1.5 hrs.

Total Participants: 67 Students & 04 Faculties.

It was an interactive session where students' doubts were solved by the speaker.

**Outcome:**

- **Improved Placement Opportunities:** By providing comprehensive coaching and guidance for competitive exams like GATE, the program can help students enhance their technical knowledge and problem-solving skills, making them more attractive to potential employers in industries that value GATE scores.
- **Higher Education Opportunities:** For students interested in pursuing higher studies, particularly in engineering, technology, or related fields, a strong performance in GATE can open doors to prestigious institutions for postgraduate programs such as M.Tech, MS, or PhD.
