About 'Chhatrapati Shivaji Maharaj':

Shivaji Raje Bhosale was formally crowned as a 'Chhatrapati' in 1674 at Raigad fort and henceforth came to be known as Chhatrapati Shivaji Maharaj. The brave warrior died in 1680 but is still known for his courage and intelligence. He laid the foundation of a Hindu empire which lasted for over two centuries. Also, Chhatrapati Shivaji Raje will always be known as a source of inspiration and pride for generations for his courage and military acumen.

History of Chhatrapati Shivaji Maharaj :

Shivaji Raje was born on 19th February, 1627, in Shivneri Fort, 60 kms north of Pune. He was named after the local Goddess Shivai, to whom his mother prayed for a son. His father Shahajiraje Bhosle was the chief of the Bijapur kingdom. He was, however, not allowed to take charge of any fort. His mother had a great influence on him as he was introduced to the Indian epics of Mahabharata, Ramayana and other holy books by her. Shivajiraje also gained a lot of knowledge from his father's unsuccessful attempts to gain power. He was inspired by his father's military tactics, and peacetime diplomacy and also possessed knowledge of Sanskrit and Hindu scriptures.
