A REPORT

On

“NATIONAL ENGINEER’S DAY 2023 CELEBRATION”

Held on
15th September 2023

Coordinator
Mr. Chaitanya Bhosale
Mr. Swapnil Chaudhari

HOD
Dr. S. G. Rathod

Program Details

National Engineer's Day 2023, is a nationwide tribute to Sir M. Visvesvaraya. Engineers are seen to be the pillars of our society to remembrance of their remarkable works in the engineering field. The Department of Computer Engineering celebrates this occasion every year with enthusiasm. **ICON** Functional Committee in association with **IEI & CSI Students Chapter** took an initiative to celebrate this event in order to encourage the ideas & innovations of students. The main objective of the event was to encourage self-evaluation, motivation, effective communication and team building among the students.

Date: 15th September 2023

Time: 10.00 am to 03.15 pm

The objectives of celebrations of Engineer's Day:

- To take a pledge to promote and encourage the youth to opt for Engineering education.
- To produce quality Engineers for the bright future of our country.

Event is started by the central inauguration, during the inaugural speech HOD addressed the students and advised them to take Dr M Visvesvaraya as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands & urged the students to aim to be great engineers with technical skills as well as personal qualities. After that all competitors of all the events reported to their respective venues. Simultaneously all the events where started.

On the occasion of Engineer's Day Celebrations **Blind Coding ,General Quiz & Shark Tank** Technical events were organized in the Department of Computer Engineering. More than 251 students took part in these events. In the evening at 3.30 PM results were announced and a valedictory function was conducted.

Event 1: Blind Coding (Number of Participants 38)

In aims of providing a platform for the Computer Engineering department students to improve and demonstrate their problem solving and programming skills, the department hosted the "Blind Coding" coding competition among its undergraduate students. The Blind Coding Challenge is an individual and fun challenge which is targeting the students from Computer Engineering and AI & DS department of all grades. This competition not only aims to improve and enhance the students' programming knowledge but also improve their speed, accuracy and efficiency in solving these challenging programming statements.

The course of actions during the event:

1. This is an individual event. Online gdb compiler will be provided.
2. This event consists of three rounds.
3. Round 1 consists of a c++ program of low complexity.
4. Round 2 consist of a c++ program of medium complexity
5. Round 3 consist of a c++ program of high complexity

Rules :-

1. Each participant has to write the code for a given problem, with monitor off.
2. Participants whose code gets executed will be given higher preference.
3. The second preference will be given to a code with least no. Of errors.
4. In case of tie in no. of errors, time of submission will be considered.
5. Shortlisted participant for round -1 will be appear for round -2 for which above rules are applicable

Venue: AI & DS Department (MMIT) Lab No. 101

Winner of Blind Coding: - Mr.Pranav Gaikwad (₹ 500)

Runner Up of Blind Coding: - Mr.: Rushikesh Gonge (₹ 200)

Event 2: - Shark Tank: (Number of Participants 16)

The Computer Engg. Department organized a non-technical event based on the reality television series Shark Tank. It allowed young entrepreneurs to make business presentations to a panel of four investors or "sharks" who decide whether to invest in their company. Prof. Chaitanya Bhosale, Prof. Ashish Bhise , Prof. Sanjay Agarwal and Prof.Mangesh Salunke represented the role of sharks in the event. In and all, the event certainly added value to the ideas of the participant, resulting in sharpening their business acumen. Thus, it endeavored to unleash the inner entrepreneur of the participants. The event strived to achieve the core value of eliciting a quest for excellence among the student participants.

The course of actions during the event:

1. This is an individual event. The participation has to present his/her technical innovative idea to the judges
2. Representation on smart board.

Rules:

1. Each participant has to present his/her idea to the judges.
2. He/she will be awarded with marks with the following criteria: real life applications (10 points), difficulty to achieve (10 points), body language of the candidate (10 points).
3. He/she will be given 15 minutes to present themselves.

Venue: Computer Engineering Department (MMIT) Classroom- E101

Winner of Shark Tank: - Mr.Rushikesh Gonge & Jay Rathod (₹ 500)

Runner Up of Shark Tank:- Mrs. Girija Dahiphale & team(₹ 200)

Event 3: - General Quiz: (Number of Participants 120)

The Computer Engg. Department organized a non-technical event based on the reality television series kon banega karodpati General Knowledge has always been a very interesting subject It gives the students a chance to enhance their knowledge of various national and international events of the world. General Knowledge or GK plays a major role in every students' life as most of the competitive exams ask various questions based on general knowledge. If answered correctly, this particular subject can be very scoring. But many students often find difficulty in finding out the important GK topics that must be covered by them. Therefore, in this article, we have provided some of the important General

Knowledge questions with answers. These questions are framed from various sections like History, Geography, General Science, Politics, Economics, Sports, Agriculture and several other current events of the world. The event strived to achieve the core value of eliciting a quest for excellence among the student participants

Rules:

The basic rule of the competition:

1. Only team entries are allowed, and the team shall consist of two persons. There is not limit of teams from a single branch.
2. The decision of the quiz-master will be final and will not be subjected to any change.
3. The participants shall not be allowed to use mobile or other electronic instruments during the quiz time.
4. The questions shall be in the form of multiple choice, specific answer question etc.
5. Audience/Supporters shall not give any hints or clues to the competitors.
6. Replacement of any participant of a team is not allowed after registration.

Venue: Computer Engineering Department (MMIT) Classroom- E104

Winner of General Quiz: - Mr. Aditya Dombhane & team(₹ 500)

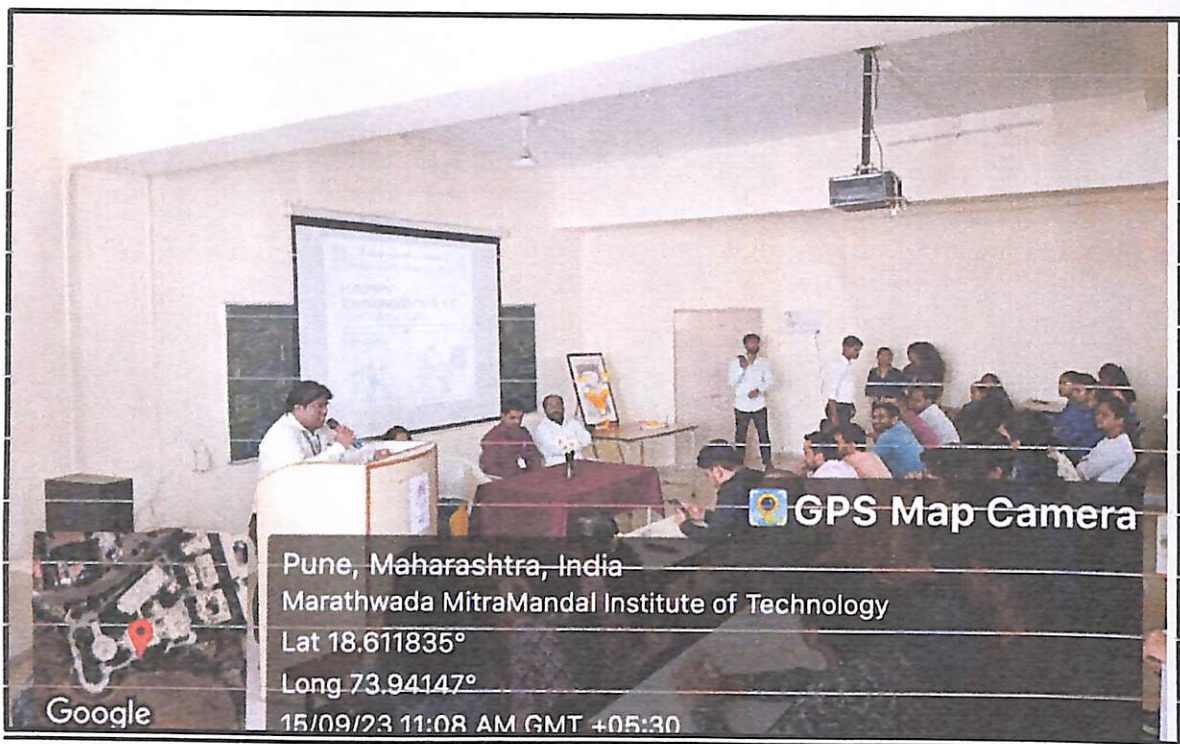

Runner Up of General Quiz:- Mrs.tripura Patange & team(₹ 200)
