

“Towards Ubiquitous Computing Technology”

DEPARTMENT OF COMPUTER ENGINEERING

June 2018

A.Y.2017-18

Message From Head of The Department

Welcome and best wishes to all the friends of the Department who receive this Newsletter. It has been an interesting and busy semester for members of the Department.

It gives me great opportunity to present the fourth issue of “MANIFESTATION”. This internal

newsletter is one of the ways in which we can disseminate information on the life of the Department. The past semester was full of various activities by the students and faculty in academic, co-curricular, extra-curricular as well as research & developments. As you read through the pages you will realize, that the Department had a particularly successful semester, I would like to thank all my colleagues for their tireless efforts to help the department progress at a very steady pace.

Prof. Subhash Rathod

Message From the Editor

We are presenting you with the fourth issue of our newsletter “MANIFESTATION”. Our intention is to put out two issues per year, one in the end of June and the other at the end of December.

The success of this newsletter depends on your response. I would appreciate your feedback.

Prof. Devyani Bonde

Inside This Issue: Class Toppers 3, Student's Achievements 2, Departmental Events 5
Departmental Activities 4, Faculty Achievements
