MMIT

MARATHWADA MITRA MANDAL'S INSTITUTE

Vision

“Techno-Social Excellence”

Mission

Our Mission is to

- Enhance technology transfer
- Implement entrepreneurship
- Promote global competency
- Integrate innovative pedagogy
- Create excellent human resource

Message from President

Shri S. D. Ganage

President

Dear Students, Faculty, and Esteemed Recruiters,

It is with immense pride and satisfaction that I acknowledge the outstanding achievements of our Placement Cell. Over the years, the Placement Cell has played a pivotal role in shaping the professional journeys of our students, acting as a bridge between academic learning and industry expectations. The consistent success of our Placement Cell is a testament to its dedication, strategic planning, and unwavering commitment to student welfare. Through its tireless efforts, our students have secured positions in leading organizations, both nationally and internationally, reflecting the high standards of education and training imparted at our institution. Beyond placements, the Cell's initiatives in skill development, industry interaction, and career guidance have empowered our students to excel in diverse fields. The Placement Cell has not only opened doors to promising careers but has also contributed significantly to the welfare of masses by preparing socially responsible and competent professionals who are ready to address the challenges of our society. With best wishes for a bright and prosperous future.

Message from Executive President

Prin. B. G. Jadhav

M.Com., MIMA
Executive President

Marathwada Mitramandal, Pune is a Public Charitable Trust established in 1967 by Hon. Late Shankarraoji Chavan, Former Home Minister, Govt. of India as the "Founder President" and followed by Hon. Late Vilasraoji Deshmukh, Former Union Minister, Govt. of India. It is established through the inspiration of socially and educationally charged personalities, with motto "Yethe Bahutanche Hit" (Welfare of Masses). Mass education, co-education and dedication towards overall development of the region are watchwords of the trust. MM institutes are accredited by NAAC and NBA. We have collaboration with Tata Technologies Ltd. and Science & Technology Park called MCIII for technology startups and entrepreneurs.

Our students put their best efforts to learn beyond the boundaries. Nurturing the students towards holistic development, shaping their personalities and imbibed them with qualities of a good, responsible and ethical citizen of this country is our primary goal. The students at MMIT dream of the best jobs in the corporate world and we are committed to them for the same with the proactive support and guidance of our recruiters. Our goal is to achieve the strongest placement results and the highest level of student and employer satisfaction and we are on the right track, making wonderful progress each passing year. The strong commitment to providing quality manpower to Industry and academia, which indirectly helps in nation- building, attracts our coveted recruiters to visit our campus regularly. We value their partnership and confirming our untiring support to them. Moreover, we welcome all our new partners to our campus process and look for a long healthy relationship.

Message from Director CRD

Mrs. Aditi Ganage

directorcrd@mmcoe.edu.in

The Corporate Relations Division (CRD) of the Marathwada Mitramandal group plays a pivotal role in establishing and nurturing strong collaborations between institutes and leading industries across IT, Engineering, Manufacturing, and Service sectors.

Under the Corporate Relations Division (CRD), MMIT's Training and Placement Officer and departmental training and placement coordinators strive continually to enhance the employability of engineering graduates.

CRD has emphasized robust industry connections, offering extensive summer training and internships across diverse engineering disciplines. These opportunities allow students to apply theoretical knowledge in practical settings, develop essential professional skills, and prepare effectively for careers in engineering. CRD ensures the seamless execution of training and campus placement activities throughout students' academic journeys.

CRD is fully committed to guiding and supporting initiatives aimed at strengthening the training and placement environment, ensuring graduates are well-equipped for success in the professional world.

Message From Counselor

Mrs. Dhanashree Ghare

ghanashreeghare@gmail.com

As a counselor, I believe in supporting engineering graduates through every step of their journey. Together with our dedicated team at the training and placement cell, we strive to ensure that each student not only finds their path but excels in it. Our comprehensive approach, from personalized counseling to empowering workshops, aims to equip students with the skills and mindset needed to thrive in their careers. Join us in shaping a future where every graduate feels confident, capable, and ready to make a meaningful impact in the professional world.

Message From Principal

Dr. Rupesh V Bhortake

principal@mmit.edu.in

Marathwada Mitra Mandal's Institute of Technology (MMIT), Pune, offers Bachelor of Engineering (B.E.) programs in Civil Engineering, Computer Engineering, Mechanical Engineering, Mechatronics Engineering, Artificial Intelligence and Data Science, and Robotics & Artificial Intelligence. Our faculty comprises experts dedicated to delivering excellence in their fields, fostering an innovative and entrepreneurial environment. We emphasize interdisciplinary learning to cultivate sustainable innovations that contribute to global progress, ensuring our students attain competencies aligned with international standards. Accredited with NAAC "A" Grade since 2018, our Outcome Based Education approach equips graduates with practical skills through project-based learning, case studies and academic projects making them job-ready from Day One.

MMIT bridges academia with industry and development sectors, facilitating placements in IT and core industries. This brochure is a glimpse of the placed students in IT and Core sectors. We extend gratitude to our industrial partners for their exceptional support during challenging times, fostering internship and full-time hiring opportunities. We seek continued collaboration in nurturing promising careers for our students and look forward to a lasting partnership for mutual growth and success.

Message From TPO

Mr. Pankaj D Khambre

tpo@mmit.edu.in, pankaj.khambre@mmit.edu.in

I consider it to be honor and opportunity to present to you a group of young, dynamic individuals who have been groomed to face challenges that lie ahead for them in the industry and corporate world as a whole. This is an era of technological innovations. The modern educational world is reverberating with waves of innovation all around the world. In this dynamic milieu, it is mandatory that the young minds of our country be nurtured and encouraged to be placed at the highest pinnacle of success. MMIT is one of the institutes that has evolved with time to be at par with the global educational world. The intelligence, high energy and motivation of our students, as well as their challenging work environments, assure that they bring an added measure of maturity and knowledge to the classroom. The interaction between students and professors greatly enriches the educational experience for all. The combination of bright, dedicated students and expert professional faculty results in a great learning environment. I also express my sincere gratitude to all those organizations who have extended their active co-operation to the department in accomplishing its endeavour successfully. It is indeed an honour to present our students to esteemed organizations and I look forward to the cooperation of the team in the placements of our students.

TECHNICAL, SOCIAL CLUBS

The Indian Society of Heating, Refrigerating and Air Conditioning Engineers (ISHRAE) Student Chapter participate in, and organize, activities to protect the Environment, improve Indoor Air Quality, help Energy Conservation, provide continuing education to members and others in the HVAC & related user Industries and offer certification programs, career guidance to students. It helps in Continuing

education of Members and other interested persons in the said sciences through Lectures, Workshops, Product Presentations, Publications and Expositions. Also, in the promotion of scientific research. Through ISHRAE, MMIT conducts the Conferences, Seminars, Exhibitions, Workshops, Panel Discussions and Product Presentations.

ACM is a one shortstop for all your coding related endeavors. The club strives to bring a culture of competitive coding and hackathons into MMIT. ACM MMIT is known for hosting webinars and guidance sessions for coding related events / interview preparation. Right from the basics of C, to the tutoring sessions for DP, to webinars for ICPC and SIH, sprinkled with many coding contests and hackathons in between. ACM makes coding accessible for everyone in the college and makes it more fun for people already into it.

ASSOCIATION OF COMPUTING MACHINERY (ACM)

INSTITUTE OF ENGINEERS (IEI)

The Institution of Engineers India (IEI) Students Chapter at MMIT has been recognized as an authorized student chapter approved by The Institutions of Engineers (India), since 2022. An Annual Students' Convention with a Seminar on a topical subject and Technical Session will be conducted to provide a platform for presentation of technical papers and building fellowship and opportunities for networking with peers and senior members to the Institution. Various technical events like seminars, industrial visits, group discussions, technical quiz competitions, workshops and model/ poster competitions will be organized throughout the year with sponsor and banner of IEI.

SAE India MMIT Collegiate club was established in 2015 by the students of Mechanical Engineering Department. We participate in events held by the Society of Automotive Engineers, like the very prestigious BAJA, SUPRA, where our team design and manufacture our very own student formula car from scratch every year and present it at the National Level events. The students worked on optimizing weight, size, and performance of Go-karts, ATVs, using Design and Simulation software such as CATIA, ANSYS etc. Many workshops, seminars and industry guest lectures are also conducted every year to nurture and provide a platform for the bright minds of our institute.

SOCIETY OF AUTOMOTIVE ENGINEERS INDIA

COMPUTER SOCIETY OF INDIA (CSI)

The Computer Society of India (CSI) Student Chapter of MMIT is an active student organization which organizes a number of technical activities including workshops, competitions, technical symposiums, guest lectures etc., for its student members. Under the guidance of the Department of Computer Engineering, the student chapter has over 84 members and is run by a Core Team and faculty from the department. MMIT CSI Student Chapter gives students the opportunity to grow in the field of IT. It also extends funding support for research projects as well as funds visits of researchers presenting papers at international conferences. MMIT CSI facilitates industry-academia interaction through CIO meets, Professors' meets. CSI offers professional counselling through various events, conferences, symposia to student members of their well-established network of Student Branches.

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. The objective of the MMIT-ISTE Student Chapter is to keep the students of the institute updated about the recent technologies. The Institute arranges lectures and invites eminent personalities from Industries and other Organizations to deliver lecture at our campus.

INDIAN SOCIETY FOR TECHNICAL EDUCATION (ISTE)

SOLAR ENERGY SOCIETY OF INDIA

Solar Energy Society of India is interdisciplinary in nature, with most of the leading energy researchers and manufacturers of renewable energy systems and devices of the country as its members. Solar Energy Society of India (SESI) membership is opened to campus to encourage faculty and student members towards renewable sources of energy. Faculty member and students from any discipline can join this society. The main aim is to train the techies and encourage research in the field. To train students in the field of solar energy for future employment.

Mechanical Engineering Students Association 'MESA' of Mechanical Engineering Department and Ingenious Computer Oriented Network 'ICON' of Computer Engineering Department is an organization constituted by the faculty members & students which works for the betterment of students. The main objective is to develop students with different competency capabilities for adding dimensions to their personality so that every student emerges as multi-functional engineer who is globally recognized. The participation of students in this association to develop leadership qualities among students through its committee. This associations are organizing various technical events, co-curricular and extracurricular activities around the year.

MESA & ICON

STUDENT DEVELOPMENT CLUBS

ANUBHUTI

ANUBHUTI is the annual cultural festival (Cultfest) of Marathwada Mitra Mandal's Institute of Technology, Pune. It is the most anticipated congenial event with exciting, entertaining and enticing episodes in its clutch. It was started by the pioneer batch of 2009 in MMIT. Each year, ANUBHUTI boasts of a multitude of participants in its various contests. The festival is completely student-organized and reputed firms sponsor the event each year. Cultural Night acts as the curtain raiser and the proceeds of the event go to a charitable institute. Events include Personality contest, Singing, Quiz, Debate, Band contest etc. This festival receives more than 1000 viewers every year.

DEBATE CLUB

The debate Club has been promoted by the Department of English successfully from 2009 onwards and it is one of the most active clubs in MMIT campus. By conducting various literary programs, the club has been insisting the importance of Communication skills which is essential for the successful future carrier of student and the forthcoming Engineering professional. In today's competitive world, communication skills in business are the most sought-after quality of an educated person who want to excel their personality and also to promote ability to organize and analyze the available resources and adopt technological advancements to present ideas creatively and artistically. Every member is given the opportunity to develop their talents and to discover their individuality to achieve the pinnacle of success in their future career.

SOCIAL CLUBS

ENTREPRENEURSHIP AND INNOVATION CELL

MMIT Entrepreneurship and Innovation Cell (MEIC) aims to foster entrepreneurial spirit among students of the Institute. We cater to all strata of the MMIT Community by means of our speaker sessions, hands-on-workshops, case studies, visit to startups. We strive to reach out to the 'junta' and convey, that the idea of entrepreneurship applies as much in politics, religion, society and the arts, as it does in business. While 'Entrepreneurship' is growing to be one of the business world's biggest buzz words, the E-Cell at MMIT envisions a time, when youth will look up to the new generation of CEO's and entrepreneurs as their modern days rock stars. Motivated by this vision, an enthusiastic bunch of people at E-Cell, are working to induce an entrepreneurial mindset into the students and to air an innovative streak in them.

NATIONAL SERVICE SCHEME (NSS)

The NSS Unit of institution encouraging students to participate in various extension activities that improve their awareness of the needs of neighbouring community. The NSS conducting social camp every year in in collaboration with Grampanchayat and SPPU, Pune. The activities like Swacha Bharat Abhiyan, Swacha Bharat Abhiyan, Tree Plantation Program, Andhashradha Nirmulan Program, Cultural Program for Villagers, Medical Checkup Camp, Blood Donation Camp, Youth Development Programs, International Yoga Day, Reading Motivational Day, etc. This unit are opened with new opportunities for the development of skills and leadership in students by organizing Social Activities, Cultural Programs, Awareness Programs and Medical Camps. This help student to identify the real-life problems of rural areas. Students contribute to the village development in consultation with the local authority and complete the activity during the camp period.

ALUMNI CELL

The Student's Alumni Cell, MMIT Pune is a voluntary student body working under the tutelage of the Dean of Student Affairs Office. This association endeavors to strengthen the relations of the alumni of this institute and their Alma mater through a variety of benefits and services that help alumni maintain connections with their educational institution and fellow graduates. We aim to bring talented alumni together to share a wealth of experience and skills with current students via talks and post on social media. We work along our institute to bridge the gap between MMIT Pune and its esteemed alumni community creating a good alumni base and strong network. Currently spreading its wings through events and social media, Alumni Cell is thriving with increasing interest and participation.
