Department are having MoU's with industries to impart technical knowledge and skill to students in the field of civil Engineering. Department also encourage the students for competitive exams like Maharashtra Engineering Services (MES), IES and in private sector.

## EDITORS VIEW

We are presenting you with our newsletter "MANIFESTATION". We believe that the session was too informative and will help immensely in the development of student's field knowledge. It was a splendid presentation, which exposed students to the digital world of technologies in the field of construction. This Newsletter also gives an opportunity to our student and staff to spotlight their insights, ideas and innovations and to show how this can be applied in almost any organization. The success of this newsletter depends on your response. I would appreciate your feedback.
