*Nurturing aspirant engineers by inculcating the knowledge of science, engineering and moral values*

### Department of Engineering Sciences

Newsletter: Volume 7, Academic Year: 2022-23

#### From HOD's Desk

I, on the behalf of Engineering Sciences department, glad to present you the fourth edition of department Newsletter. The academic year 2019-20 was full of many challenges. The eruption of Covid-19 pandemic, had posed major challenge in the Semester II. With proper planning and support from my department Faculties, Students and Parents we could cope up.

-Dr. Umesh P. Moharil

SGPA: 8.95

#### Induction Programme 2022-23

Principal Dr. R. V. Bhortake, HOD Dr. U. P. Moharil, Parent and Student while Lightening the Lamp

## Induction Programme 2022-23

Department of Engineering Sciences conducted an Induction program for First Year students as per the guidelines of AICTE and SPPU from 14<sup>th</sup> November to 21<sup>st</sup> November 2022.

### The objectives of induction program

- To help new students to adjust and feel comfortable in the new environment
- To inculcate in them ethos and culture of the institution
- To help them build bonds with other students and faculty members
- To expose them to a sense of larger purpose and self exploration.
- To nurture the human values among the students
- To identify the levels & learning style of students

### Activities conducted

- Introduction to college and departments
- Orientation by HOD and Principal
- Orientation by Administrative officer regarding fees, scholarship
- Motivational Talks and Sessions
- Meditation Session
- Confidence-Building Activities
- Field visits to historical places
- Session on stress management and Mental Health

Orientation for Students

Group Activities

Stress Management Session

Meditation Session

Field Visit

## MoU with Heartfulness Education Trust

Department of Engineering Sciences, MMIT signed a Memorandum of Understanding (MoU) with Heartfulness Education Trust on 18<sup>th</sup> October 2022. Heartfulness Education enables teachers and students to live a balanced, purposeful, and a happy life using heart-based practices, so that they are equipped to contribute towards a sustainable school reform and community citizenship. Under this MoU, various training and meditation sessions are being conducted daily and on every Sunday.

## Visit to Kanha Shanti Vanam, Hyderabad

Department of Engineering Sciences, Marathwada Mitra Mandal's Institute of Technology (MMIT), Lohgaon, Pune, organized visit to Kanha Shanti Vanam, Hyderabad from 4<sup>th</sup> August to 7<sup>th</sup> August 2023 in collaboration with HEARTFULNESS EDUCATION TRUST under "Expert sessions on Meditation Master Class & over all development of Students" for First Year Engineering Students. Students learnt comprehensive understanding of meditation and its practical applications in daily life, various aspects of spirituality and personal growth
