

*Nurturing aspirant engineers by inculcating the knowledge of science, engineering and moral values***Department of Engineering Sciences****Newsletter: Volume 8, Academic Year: 2023-24****From HOD's Desk**

I, on the behalf of Engineering Sciences department, glad to present you the fourth edition of department Newsletter. The academic year 2019-20 was full of many challenges. The eruption of Covid-19 pandemic, had posed major challenge in the Semester II. With proper planning and support from my department Faculties, Students and Parents we could cope up.

-Dr. Umesh P. Moharil

- Student Enrichment

Induction Programme 2023-24

Induction program is proposed by AICTE and SPPU in Academic Year 2017-18. Students Induction could cover a number of different aspects (SAGE): Socializing, Associating, Governing and Experiencing. Department of Engineering Sciences conducted an Induction program for First Year students as per the guidelines of AICTE and SPPU from 21st August to 26th August 2022.

The objectives of induction program

- To help new students to adjust and feel comfortable in the new environment
- To inculcate in them ethos and culture of the institution
- To help them build bonds with other students and faculty members
- To expose them to a sense of larger purpose and self exploration.
- To nurture the human values among the students
- To identify the levels & learning style of students

Activities conducted

- Introduction to college and departments
- Orientation by HOD and Principal
- Orientation by Administrative officer regarding fees, scholarship
- Motivational Talks and Sessions
- Meditation Session
- Confidence-Building Activities
- Field visits to historical places
- Session on stress management and Mental Health

**Inaugural Function****Address by Principal Dr. R. V. Bhortake****Department Orientation by FE, Computer, Mechatronics, AI&DS, Civil, Mechanical**
