DEPARTMENT OF CIVIL ENGINEERING
A.Y. 2025-26 ISSUE-2

VISION

To be a leading Civil Engineering department, shaping techno-socially competent engineers for sustainable development and nation building

MISSION

M1- Imparting quality education in Civil Engineering through effective teaching-learning processes and modern tools

M2 - Nurturing techno-social competence among students through skill development, sustainable practices, and community engagement

M3 – Inculcating professional ethics, leadership skills, and preparing graduates to work in diversified domains of public and private sector

Program Specific Outcome (PSOs)

PSO 1: Students will be able to apply civil engineering principles and analytical and problem-solving skills to solve civil infrastructural problems

PSO 2: Students will be able to apply industry-relevant knowledge and current engineering practices

HOD MESSAGE

It gives me great pleasure to present this edition of the Civil Engineering Department Newsletter. This newsletter showcases the academic achievements, technical activities, and accomplishments of our students and faculty members.

At the Department of Civil Engineering, MMIT Lohgaon, we are committed to providing quality education and fostering technical excellence through academic programs, industry interactions, workshops, research activities, and co-curricular initiatives. These efforts help our students develop the knowledge and skills required to excel in the engineering profession.

I congratulate all students and faculty members for their dedication and achievements. I also appreciate the efforts of the editorial team and contributors in bringing out this newsletter. I wish everyone continued success in their academic and professional endeavors.

Dr. Atul Khatri
Head, Department of Civil Engineering
MMIT, Lohgaon, Pune

MESSAGE FROM THE STUDENT EDITOR-IN-CHIEF

It is my privilege to present this edition of the Civil Engineering Department Newsletter. This publication highlights the achievements, events, technical activities, and memorable moments that have shaped our department during the academic year.

The newsletter is a reflection of the enthusiasm, creativity, and dedication of our students and faculty members. It serves as a platform to share knowledge, celebrate accomplishments, and showcase the vibrant academic environment of our department.

I sincerely thank our Head of Department, faculty members, contributors, and the editorial team for their valuable support and guidance. I hope this newsletter inspires students to actively participate in academic, technical, and co-curricular activities and continue striving for excellence.

Mr. Onkar Pawar
Student Editor-in-Chief

Industrial Visit to CONSTRO Exhibition

Date: 08/01/2026

BE, TE, and SE Civil Engineering students explored modern construction technologies, innovative materials, and industry practices through interactive sessions and live demonstrations.

Industrial Visit to Swaminarayan Temple

Date: 20/02/2026

TE Civil Engineering students visited Swaminarayan Temple under the ATP activity, gaining insights into structural design, architectural planning, and construction practices.

Guest Lecture under IIC

Date: 27/02/2026

An expert session was delivered by Mr. Bhushan Bhavsar, Founder of Vastudny Design, providing valuable insights into design practices, innovation, and industry-oriented approaches.

Industrial Visit to Survey of India

Date: 28/02/2026

The students visited the Survey of India to gain practical knowledge of modern surveying techniques and mapping systems. They were introduced to advanced instruments and geospatial technologies used in the field. The visit provided insights into data collection, analysis, and its application in civil engineering projects. It helped students connect theoretical concepts with real-world practices. Overall, the visit was informative and enhanced their understanding of surveying operations.

Field Visit to RCC Building (MMIT Campus)

Date: 25/03/2026

TE and BE Civil Engineering students visited an under-construction RCC building at the MMIT campus to study reinforcement detailing in various structural components, gaining practical exposure to real-site construction practices.

Industry–Institute Interaction Visit to Ecosan Foundation

Date: 05/03/2026

Students visited Ecosan Foundation as part of Industry–Institute Interaction, gaining insights into sustainable sanitation practices, wastewater management, and eco-friendly technologies.

SCHOLARSHIP SUPPORT BY GRAPHIC TECHNOLOGY

GRAPHIC TECHNOLOGY SPONSORED SCHOLARSHIPS FOR TWO BE STUDENTS, SUPPORTING THEIR ACADEMIC JOURNEY AND ENCOURAGING EXCELLENCE IN CIVIL ENGINEERING EDUCATION

Quiz Competition (IGS Activity) – National Science Day:

Date: 27/02/2026

A quiz competition was organized under IGS on the occasion of National Science Day, encouraging students to enhance their scientific knowledge and promote active learning.

INSTITUTE ACHIEVEMENT

WE ARE PROUD TO ANNOUNCE THAT OUR COLLEGE HAS BEEN RECOGNIZED AS A SUB-CENTER BY THE PUNE CONSTRUCTION ENGINEERING RESEARCH FOUNDATION (PCERF). THIS RECOGNITION STRENGTHENS INDUSTRY-ACADEMIA COLLABORATION THROUGH RESEARCH, TRAINING, AND TECHNICAL ACTIVITIES, BENEFITING BOTH STUDENTS AND FACULTY.(DATE: 05/03/2026)
