"Towards Ubiquitous Computing Technology"

DEPARTMENT OF COMPUTER ENGINEERING

A.Y. 2023-24 (SEM-II)

**Welcome and best wishes to all the friends of
the Department who receive this Newsletter.**

It has been a productive and engaging semester for the Department. It gives great pleasure to present the latest issue of "MANIFESTATION".

MESSAGE FROM HEAD OF THE DEPARTMENT

This internal newsletter serves as a medium to share the activities and progress of the Department. The past semester witnessed active participation of students and faculty in academic, co-curricular, extra-curricular, and research activities. The Department had a successful semester, and I sincerely thank all my colleagues for their dedicated efforts towards its steady growth.

-Dr. Subhash Rathod

MANIFESTATION

NEWSLETTER

Vision:

To achieve techno-social excellence by fostering innovative, sustainable and ubiquitous computing solutions for societal needs.

Mission :

- Providing quality education in computing through innovative pedagogy and research
- Promoting innovation and creative thinking in technology-driven studies
- Encouraging real-world application of evolving technological trends
- Developing industry-ready competencies among graduates

Program Specific Outcomes (PSO)

PSO1:

- Apply analytical and programming skills using open-ended environments to design, implement, test, and deliver solutions

PSO2:

- Develop effective solutions using standard software engineering principles and life-cycle practices aligned with industry standards

Faculty Achievements

SessionChair – International Conference on Contents, Computing and Communication (ICCCC 2023)

Dr. S. G. Rathod was invited to serve as a Session Chair at the 4th International Conference on Contents, Computing and Communication (ICCCC 2023). As a Session Chair, he was responsible for conducting and coordinating a technical session, introducing speakers, moderating discussions, and ensuring the smooth execution of presentations. His role contributed significantly to maintaining the academic quality and professional standards of the conference. The event provided a platform for researchers and academicians to discuss emerging trends in computing, communication, artificial intelligence, and related technologies. His participation reflects academic excellence and active involvement in research and scholarly activities at the international level.

Certificate of reviewer Recognition

IEEE - 7th International Conference on Computing, Communication, Control and Automation organized by PCET's Pimpri Chinchwad College of Engineering, Nigdi.

The conference provided an excellent platform for researchers, academicians, and industry professionals to share innovative ideas and advancements in emerging technologies.

It encouraged knowledge exchange, technical discussions, and collaboration in the fields of computing, communication, control systems, and automation.

Events

Organized

Department has organized Following Workshops/Seminar/Guest Lecture/STTP/FDP/Add-on Course

Prof.Mrunal Jagtap and Prof. Rohini Mahale have taken ADD-On course on SQL/PL-SQL

The initiative aimed to bridge the gap between academic learning and industry requirements, strengthening students' readiness for professional careers in database management and software development.

Dr.S.G.Rathod & Ms. M.S.Jagtap has organized

guest lectures on Concurrency in DBMS.

The session provided valuable insights into concurrency control techniques and their importance in maintaining data consistency and integrity in database systems. The lecture enriched students' understanding of real-time database challenges and solutions.

Prof.Shwetal Patil have taken ADD-On course on HTML The course introduced students to the fundamentals of HTML and web page design, enabling them to create structured and responsive web content. enhanced students' basic web development skills and practical understanding.

Ms.Yamini Warke has Organized seminars on Digital Technology and Artificial Intelligence. The sessions highlighted the impact of AI on various industries and everyday applications. Students gained insights into modern digital tools and innovations. The seminars encouraged analytical thinking and preparedness for future technological advancements

Mr. Yogesh Dongare and Mr. Swapnil Gagare have Organized Expert Lectures on PHP and MYSQL.

The Session covered core concepts, database connectivity and practical implementation. Students gained hands-on knowledge of server-side scripting and database management. The lectures enhanced their understanding of real-world web development practices.

Dr. Mangesh Salunke & Mr. Suhas Kothavle have organized Expert Lecture on Computer Network and its Application

The session covered networking concepts and real-world use-cases. Students gained insights into network architecture, protocols and communication technologies. The Lecture strengthened their understanding of practical networking applications in modern systems.
