MANIFESTATION

"Towards Ubiquitous Computing Technology"

DEPARTMENT OF COMPUTER ENGINEERING

A.Y. 2025-26 (SEM-I)

**Welcome and best wishes to all the friends
of the Department who receive this
Newsletter.**

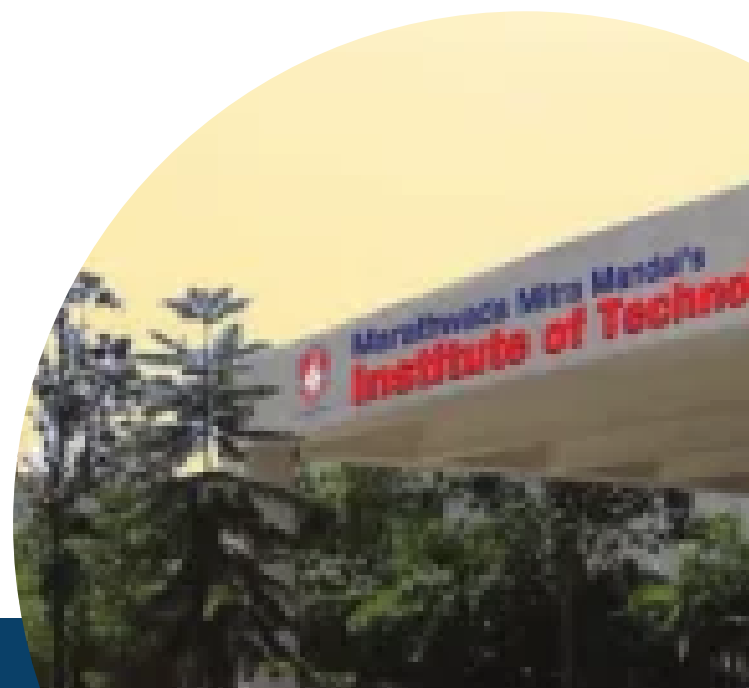

It has been a productive and engaging semester for the Department. It gives great pleasure to present the latest issue of "MANIFESTATION".

MESSAGE FROM HEAD OF THE DEPARTMENT

This internal newsletter serves as a medium to share the activities and progress of the Department. The past semester witnessed active participation of students and faculty in academic, co- curricular, extra-curricular, and research activities. The Department had a successful semester, and I sincerely thank all my colleagues for their dedicated efforts towards its steady growth.

-Dr. Subhash Rathod

MANIFESTATION**NEWSLETTER****Vision:**

To achieve techno-social excellence by fostering innovative, sustainable and ubiquitous computing solutions for societal needs.

Mission :

- Providing quality education in computing through innovative pedagogy and research
- Promoting innovation and creative thinking in technology-driven studies
- Encouraging real-world application of evolving technological trends
- Developing industry-ready competencies among graduates

Program Specific Outcomes (PSO)**PSO1:**

- Apply analytical and programming skills using open-ended environments to design, implement, test, and deliver solutions

PSO2:

- Develop effective solutions using standard software engineering principles and life-cycle practices aligned with industry standards

Faculty Achievements

GLOBAL RESEARCH CONTRIBUTION BY FACULTY

The department continues to strengthen its global academic presence through the research excellence of its faculty. **Dr. Monika Dangore** presented a research paper at the **IEEE International Conference**, held in **Bangkok, Thailand**, during **14–16 September 2025**, reflecting the department's active research culture.

DR. SUBHASH RATHOD FELICITATED AS JURY MEMBER

Dr. Subhash Rathod was felicitated for his contribution as a Jury Member at the IEEE Pune Section Awards 2025. The recognition highlights his expertise, academic leadership, and valuable role in evaluating excellence within the IEEE community. His involvement at such a prestigious platform brings pride to MMIT IEEE Student Branch and reflects the institute's continued commitment to academic and professional excellence.

DR. JAYASHRI P. SHINDE FELICITATED AS JURY MEMBER

3rd IEEE International Conference on Networks, Multimedia and Information Technology (NMITCON) organized at Nitte Meenakshi Institute of Technology, Bengaluru, INDIA

DR. MANGESH D. SALUNKE RECOGNISED AS IEEE CONFERENCE REVIEWER

Dr. Mangesh D. Salunke, MMIT Pune, was honoured with a Certificate of Reviewer Recognition for his valuable contribution as a Reviewer at the IEEE International Conference on Communication, Computer, and Information Technology (IC3IT-2025). The conference was organized by Mysuru Royal Institute of Technology, Mandya, in association with IEEE Mysore Subsection and IEEE Bangalore Section.

Student Achievements

The students of the department have brought immense pride and recognition by showcasing innovation, teamwork, and problem-solving excellence at an international platform.

MMIT's Team TechTogether Wins Best Team at VIT Code Verse 2025

Team TechTogether showcased innovation, coding excellence, and teamwork to emerge as the Best Team at the **24-hour VIT Code Verse Hackathon 2025**. This achievement highlights the technical excellence and competitive spirit of MMIT students.

Students Selected for IEEE Pune Section SAC 2026

We are proud to announce that the following students from MMIT IEEE Student Branch have been selected for the IEEE Pune Section Student Activities Committee (SAC) 2026. Their selection reflects their dedication, leadership skills, and active contribution to IEEE student activities.

IEEE InvEnt Pitch Competition 2025

Our team emerged as College Level Winners in the IEEE InvEnt Pitch Competition 2025 after a strong Round 1 performance, qualifying for Round 2. This achievement brings the team closer to global platforms like GITEX Global, Dubai, highlighting their innovation and dedication with support from the IEEE Student Branch.

Student Achievement on International Platform

Sankalp Indish (BE – Computer Engineering), a bright student of MMIT, made the institute proud by presenting his research paper at an international platform in Bangkok, Thailand. This remarkable achievement was accomplished with the constant support and guidance of the IEEE Student Club, MMIT.

Events

IEEE Day Main Event & Field2Frame Finals

IEEE Day was celebrated with great enthusiasm at our college, featuring the final round of the Field2Frame competition. The event highlighted student creativity, innovation, and active participation under the IEEE Student Branch.

Aptitude Training Session by Aspire Training Solutions

An Aptitude Training Session was successfully conducted by Aspire Training Solutions to enhance students' problem-solving, logical reasoning, and quantitative aptitude skills. The session focused on preparing students for placement aptitude tests through practical tips, shortcuts, and interactive problem-solving techniques.
