### **About Program:**

#### **Objective:**

The main objectives of organizing the workshop are:

- To develop the knowledge of students about Entrepreneurship and Interpersonal skills.
- To develop the critical & creative thinking skills of students.
- To develop the Practical entrepreneurial skills & knowledge of students.

#### **Activities performed:**

On October 16th, 2024 a workshop was conducted by a speaker on the topic "Entrepreneurship and Innovation as Career Opportunity. The workshop on "Entrepreneurship and Innovation as Career Opportunity" conducted by Ms.Vaishali Gawhankar was an insightful session aimed at exploring the realm of entrepreneurship and innovation as viable career avenues.

**1.Understanding Entrepreneurship:** Ms.Vaishali Gawhankar initiated the workshop by defining entrepreneurship, emphasizing its role in societal development and economic growth. She highlighted various traits and skills essential for successful entrepreneurship, such as creativity, risk-taking, and adaptability.

**2. Exploring Innovation:** The session delved into the significance of innovation as a driving force behind entrepreneurial success. Ms. Vaishali Gawhankar illustrated how innovation disrupts existing norms and fosters growth in various industries. Examples from diverse sectors showcased how innovative thinking leads to competitive advantage.

**3.Identifying Opportunities:** Attendees were guided through the process of identifying entrepreneurial opportunities within market gaps and consumer needs. Ms. Vaishali Gawhankar facilitated brainstorming sessions that encouraged participants to explore innovative solutions to real-world problems.

**4.Challenges and Strategies:** The workshop also addressed the challenges encountered by aspiring entrepreneurs and provided strategies to overcome them. Discussions revolved around

financial constraints, market saturation, and the importance of resilience and perseverance in the face of adversity.

**5. Resource Utilization:** Ms. Vaishali Gawhankar emphasized the effective utilization of available resources, including technology, networking, and mentorship. Practical advice on building a supportive network and leveraging available tools and platforms was provided.

**6. Interactive Activities:** The session was interspersed with interactive activities, case studies, and group discussions. These activities engaged participants actively and facilitated a deeper understanding of the workshop's key concepts. After the workshop session, Speaker has conducted an open interactive session with the students, where students have asked their personal queries regarding registration process of individual startups directly. Ms. Vaishali Gawhankar has provided them the correct solutions for all their queries based on their educational and professional choices.

The workshop was concluded with a valedictory session by the Dr. Subhash Rathod, HOD (Computer Department) by thanking Ms. Vaishali Gawhankar, students and all those who contributed to the organizing and success of the workshop. The invited speaker has also appreciated the Department of Computer Engineering, MMIT, Lohegaon, Pune for organizing such a workshop for the students of the department and thanked for giving her the opportunity to deliver his knowledge to the students during the workshop. The students have also deeply appreciated the workshop.

Total Duration of the workshop is 2 hrs.

Total Participants: 44 Students.

It was an interactive workshop where students' doubts were solved by the speakers.

**Outcomes:**

- To understand the basics of Entrepreneurship and its Importance in modern society.
- Skill set required to become an Entrepreneur and how to convert simple idea into an innovation.
- Key performance indicator of a graduate likely to become an Entrepreneur.
- The students have clearly understood the concept and importance of entrepreneurship and innovation as a career opportunity in the current scenario.
