- ## Open E-Theses and Dissertations (ETDs) –

A dissertation or thesis is a work submitted in support of candidature for a undergraduate, master's degree, or doctorate degree respectively, which presents the author's research and findings. Electronic versions of theses and dissertations are called ETDs. ETDs replaced paper theses and dissertations and it can be similar to their paper predecessors in that they may have figures, tables, footnotes, and references. Links are given below :
